- **20 UEX** absences - admin or designate will potentially withdraw student from class*, complete a home attendance communication, and send letter of notification. *dependent upon results from family/guardian and Attendance Team meeting(s)
- **Despite absences being EXCUSED**, students **may still be withdrawn after 20 missed classes in a single course*** if they are not achieving 50% in the course. Admin will make this decision after discussion with all stakeholders. *dependent upon results from family/guardian and Attendance Team meetings.

RPS Attendance Incentive

The incentive is that the mark attained on the final assessment, which every student will write, will not negatively impact the grade earned for that class. (Mark Freeze)

Criteria:

- **7 or fewer absences**. **EX**, **Illness**, and **Appointment** absences all **count** against student attendance.
- **1 UEX** or **1 suspension** (in or out of school) results in **loss of incentive**. Parents have **5 school days** to excuse an absence.
- **3 or fewer lates**.
- **3 or fewer late assignments and all assignments completed** by end of semester.
- Must have minimum of 50% in the course going into the final assessment.
- In addition to the 7 absences, students are allowed **3 absences** for **extra-curricular activities** per class, **per semester**. (No carry-over)
- **Unexcused** absences from **TAG** - reviewed by school leadership team and may result in suspension, which will mean the loss of incentive.

***As per the Ministry of Education guidelines, after **20 consecutive unexcused full days** of school, a student will be withdrawn.*
