

# Paws for Success Program

The "Paws for Success" program is a student recognition program designed to recognize a wide variety of students for their citizenship, and school and community involvement. A goal would be to acknowledge those students whose accomplishments often go unrecognized.

If you are a community member, a staff member, or another student you are eligible to nominate a student who you feel deserves to be recognized and celebrated.

Please fill out this nomination form and return it to the office. Deadlines for the three selections for the 2009-2010 school year are: October 5, February 8 and May 10.

**Please note: Students are selected based on the information provided in this application. Please be as thorough as possible.**

Name of student to be nominated: \_\_\_\_\_ Grade: \_\_\_\_\_ Tag/Teacher: \_\_\_\_\_/\_\_\_\_\_

1. Citizenship: How has this student been an outstanding member - of the school?  
- of the community?
